Absolutes/col percents

Table 48

Q.1a We'd like to know a little bit about the types of charitable services that you and members of your household use/access. For each of the below services, please let us know whether you or other members of your household have used this service (either in the last month, last twelve months, or longer ago than that), or not.

Summary table - All charity services excl. universities - No. of Charities Ever Used

Base: All ever using charity services excl. universities

	How many people aged 18 and over live in your household?							How many people under the age of 18 live in your household?						Do you have any children aged 18 or under? If so, how old are they?					What is the combined annual income of your household, prior to tax being deducted?
