

Times Poll

Fieldwork : November 3rd-5th 2006

Absolutes/col percents

Table 1

Q.1 Many people currently say that they probably won't vote at all, while others say they would definitely vote.

How likely are you, personally, to vote at the next election?

Q.2 If there were a general election tomorrow, which party would you vote for?

Data excludes those who score 1/DK/Not registered for likelihood to vote (15%), or who don't know who they would vote for (12%), or who refuse to answer (7%).

THIS TABLE DOES NOT INCLUDE ADJUSTMENT FOR DON'T KNOW/REFUSERS

Table 3

Q.4 Now I'd like you to think ahead to the next election, expected in 3 or 4 years time. Imagine that the Chancellor of the Exchequer Gordon Brown takes over from Tony Blair as Labour leader and the Conservatives are led by David Cameron and the Liberal Democrats by Ming Campbell. In an election where those were the leaders of the main parties which of them would you vote for or would you vote for another party or would you probably not vote at all?
