Q.11 There has been a lot of discussion in the media about the possibility that the election could result in a hung Parliament, where no party has a majority in the House of Commons. Please say which of the following two viewpoints is closest to what you think, even if neither represents exactly what you think?

Some people say that a hung Parliament is the best chance of getting real change because it would shake the system up, give a greater voice to the Liberal Democrats and force the parties to work together	247 34%	126 34%	121 33%	18 26%	43 41%	52 34%	48 37%	36 32%	50 31%	73 36%	61 29%	44 28%	68 40%	64 35%	69 35%	64 33%	32 31%	19 30%	30 17%	37 32%	80 62%	55 30%	31 20%	60 37%	53 54%	5 29%
Other people say that a hung Parliament would not bring real change because it would mean deals done behind closed doors and bickering between the parties about key jobs and policies, producing weak unstable government and the risk of a run on the pound and higher interest rates	448 61%	229 62%	219 59%	53 73%	59 56%	95 62%	74 57%	68 61%	99 60%	118 59%	140 67%	106 68%	85 50%	106 58%	114 57%	123 64%	66 65%	40 64%	144 79%	72 64%	46 36%	111 60%	121 77%	99 61%	39 40%	13 71%
