Q.5 The general election campaign is featuring the first ever live televised debates between the leaders of the Labour, Conservative and Liberal Democrat parties. Some people have said that the SNP should have been included in these debates, as the governing party in Scotland, while others have said it was right to exclude them because the general election is about choosing a government for the whole of Britain, not just Scotland. Which of these is closest to your view?

Q.10 The next elections for the Scottish Parliament at Holyrood will be in a year's time, in May 2011. Many people say that they probably won't vote at all in the Scottish Parliament elections, while others say they will definitely vote. On a scale of 1-10 (where 1 means you definitely would NOT vote, and 10 means you are absolutely CERTAIN to vote), please say how likely you are to vote in the Scottish Parliament elections in May?
