Q.4 I'd like to get a sense of how optimistic or pessimistic you are about Britain's economy. Thinking about all the things that may affect the economy - such as changes in salaries and wages, the level of interest rates and tax, the rates of inflation and unemployment, and the strength of the pound - how do you think the British economy will fare over the next year?

Q.4 I'd like to get a sense of how optimistic or pessimistic you are about Britain's economy. Thinking about all the things that may affect the economy - such as changes in salaries and wages, the level of interest rates and tax, the rates of inflation and unemployment, and the strength of the pound - how do you think the British economy will fare over the next year?

For you and your family
