Table 7
Q.4 In the 2019 Conservative Party manifesto, the government promised to spend more on education, the NHS and policing, without raising income tax, VAT or national insurance, or borrowing more to fund day-to-day spending.
Since then, reports have suggested that the government is considering abandoning these rules.
If you had to choose one of the options below, which ONE thing would you choose for the Government to action in order to fill the gap?

Q.5 To what extent would you support or oppose the government introducing the following in the Budget?

Summary

Base: All respondents

	Policies									
	Free childcare	Increasing environmental taxes such as fuel duty and air passenger duty	More government funding for transport and infrastructure outside London and the South East	30% discounts on new build homes for first time buyers	Creating low-tax zones with relaxed employment laws to encourage inward investment and trade	Ensuring no-one needs to sell their home to pay for social care	Stronger worker rights, especially for those in the 'gig economy' or on zero-hour contracts	Freezing national insurance, income tax and VAT	Cutting pensions tax relief for those earning more than £50,000 a year	'Mansion tax' on the most expensive properties
